MAXX'S

Maine Coon Rescue

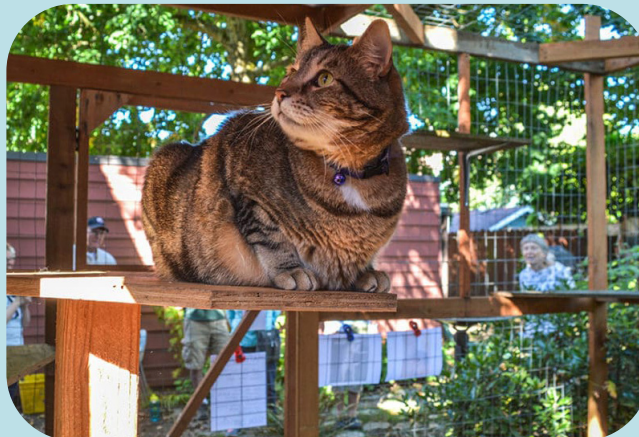

Maxx's Maine Coon Rescue is a sanctuary and shelter named after our first Maine Coon, Maxx. We are located in the beautiful city of Boulder, Colorado. We are a small organization that specializes in taking in Maine Coon cats, but we are open to taking in cats of all breeds and ages. After rescuing a cat, we prepare the cat for adoption, finding them the purrfect forever home. Our mission is to create a safe space to foster Maine Coon cats while we search for their adopters. Maxx's Maine Coons encourages pet owners to adopt a rescue pet rather than buy from breeders.

OUR FACILITY

Maxx's Maine Coon Rescue is generously funded by community donors. We were able to remodel the shelter to include large, separate, indoor glass areas for the cats. This allows for the best adoption process, as possible owners can sit in the room to get to know their cat. We also created an outdoor catio so the cats can enjoy the beautiful Boulder weather.

HOW TO ADOPT:

1. Go to maxxsmainecoons.org to view our adoptable cats.
2. Once you find your furry friend, fill out the adoption application.
3. A rescue volunteer will contact you to set up a time to meet the cat.
4. Come to the shelter to see if the cat is a good fit for your home.
5. If you love the cat, you will fill out the final stage of adoption paper work.
6. Give us one day to get the cat ready for departure.
7. Make sure to arrive with a cat carrier, food and litter.
8. Pick up your cat and bring them to their forever home!
